## *Editor's Note*

Hello -

Come and take a peep with us as we look back a little. Twenty years of progress is summed up on these pages, and we are mighty proud of what we see. We know you will be, too.

This production was a really fun thing. Hope you catch some of it while you look.

Dear Ballard-Hudson High School  
Praises we sing to thee  
For our Dear Alma Mater  
We work in harmony  
On God's Solid Foundation  
Your love keeps shining bright  
True loyalty we pledge to thee  
Dear Ballard-Hudson High

Forever and Forever may this Foundation stand ...

To us God gave His blessings ...  
Our faith will never die  
True loyalty we pledge to thee  
Dear Ballard-Hudson High.

# Mayor's Message

Dear Friends:

As Yearbook Time rolls around again, congratulations are in order. To a graduating senior class, this is a time of ending and beginning; the ending of high school activity, and the beginning of the continuing search for knowledge in higher education. To the younger students, another chapter in education is about to be completed. Next year they will advance to a higher grade. To all of you, my congratulations.

While the "three R's," "reading, riting and rithmatic" are still important, I urge you to concentrate on the "three I's" - initiative, inspiration, and industry. Be a self-starter, be inspired, and industrious. Apply your individuality and there is an unlimited future ahead of you.

Truly, the future belongs to today's youth. Be sure that you are prepared to accept the responsibility when the time comes.

With best personal regards and best wishes for your continued success, I am

Very cordially yours,

*Ronnie Thompson*

Ronnie Thompson, Mayor  
City of Macon

# *Superintendent's Message*

To the Seniors of Ballard Hudson Senior High School

The "Twenty Years of Progress" that your very fine school has made is positively reflected in the numerous contributions each Alumni has shared with the total progress of human civilization. Therefore, I take great pleasure in extending my sincere congratulations to each of you for the love and devotion you have for your own Ballard Hudson Senior High.

As you embark on your journey to further achievement, it is important that you keep track of your progress and remember that the requirements for success often change rapidly. I challenge you to face the fact that the world needs men and women whose visions are broad and deep - who can see the world clearly and see it in its entirety.

May this record of your years at Ballard Hudson Senior High serve as a motivating force to help you tear down the wall of self doubt and help you to discover yourselves and your relation to the world around you.

With kindest regards and best wishes to each of you. I remain

Sincerely yours,

A large, stylized handwritten signature in dark ink, reading "Julius Gholson". The signature is fluid and cursive, with a long, sweeping tail on the last name.

Julius Gholson

*Dr. R. J. Martin*

As a record of the history of Ballard-Hudson at the close of its second decade, the 1969 Tiger is a highly commendable work. I am made proud as I review the progress reflected here, and I am certain that all who leaf through these pages will be filled with the same sense of accomplishment.

Be inspired, as I am, to continue the forward march, and to make the present the light by which we read the past. With the past as your guide, and the present as your armor, may all your steps into the future be giant ones.
